Message from the Chair

Atheer Jawad
Chair Edmonton Section 0410

Dear section members and quality fellows,

As we are counting days until the holiday season, we look back and see another year passing on so quickly with all its ups and downs, joy and sad moments... as of quality and section related matters, we had great times peaked with the first ever quality conference in October, and we also had time to mourn over for the sad passing one of our colleagues last summer...

Looking for the remainder of the year 2017, your section member leaders are preparing for the annual general meeting in the first week of December and we are looking forward to see you there one more time in this year, to thank all those who shared their time and efforts for the section and to welcome the new member leaders who are going to lead us through another exciting year in 2018.

Atheer Jawad
Chair, ASQ Edmonton Section 0410

Possible 2018 Dinner Meeting Topics ?

Which topic would you like us to offer in an event in 2018?

As your member leader team we always try to find a topic that is current and of interest for you as QA professionals.

We would like to hear from you ... please tell us what is on your mind! Send an email to Program@asqedmonton.org and give us a hint.

Just as an example ... these three topics are out there as options for 2018:

- [Anurag Pandey](#) – topic not yet specified – Dinner event
- [Elliot Mick](#) – Indigenous Relations in Canada – Dinner meeting topic
- [Michael Hughes](#) – Networking for results – Full day workshop

Thank you for taking the time to share your thoughts with us.
