Dear Quality Professionals

As Member-Leaders we would like to take this opportunity to thank everyone for all their efforts throughout the year, to help improve the productivity and efficiency at their respective work places.

It is through your support and encouragement that we are able to successfully organize various events and conferences throughout the year to educate and support the Quality professionals in Edmonton.

The interaction shown by the participants in our last event “ASQ Mini Conference with Gord Masiuk” also reflects the growing interest in the industry towards Operational Excellence.

As our token of thanks for the commendable work by the ASQ Edmonton Quality professionals, we are organizing AGM and Dinner event (free for members) on December 05, 2018.

We look forward to seeing you all at the AGM and Dinner Event in December!

**ASQ Mini Conference with Gord Masiuk**

We were fortunate to be able to bring back Gordon Masiak for our Fall-Mini Conference to present two sessions, the first on strategies for aligning Quality with Organization Excellence, followed by engaging the workforce in the afternoon.

Gordon engaged the audience with interactive demonstrations and small group sessions that really helped them understand his message and did a great job in deepening the experience.

All attendees will be sent a password to access Gordon's handouts & presentations which will be available on the ASQ Edmonton website soon.

**Future Topics and Ideas**
